**Thaddeus N. Yates & Co.**

**NURSERYMEN**

**Office, 7356 Germantown Avenue**

**PHILADELPHIA, PA.**

**NURSERIES: Mount Airy, Philadelphia  
North Wales, Montgomery Co., Pa.**

## IMPORTANT PLEASE READ

**CUSTOMERS** are requested to state the mode of conveyance by which they desire their trees forwarded. When no route is named we forward to the best of our judgment; but in no case do we assume any responsibility after the goods are shipped.

**TERMS CASH** or satisfactory reference on or before delivery to Express or Railroads agents, unless by special arrangement.

**TWO HUNDRED AND FIFTY**, twenty five and five will be furnished at the thousand, hundred and ten rates respectively.

**PACKING CHARGED EXTRA**, but only sufficient to cover cost of time and material.

**VISITORS.**—Parties are cordially invited to visit our nurseries and inspect the stock. The Chestnut Hill trolley passes our office door at Germantown and Gowen Avenues. We are also a few minutes' walk from both Mt. Airy Station on Chestnut Hill branch of Phila. & Reading Railroad, and Allen Lane Station on Chestnut Hill branch of Pennsylvania Railroad. Trains every half hour.

Anyone stopping at our main office, will be personally escorted to our North Wales nursery with pleasure.

**CATALOGUE.**—Our descriptive catalogue of Ornamental trees and plants beautifully illustrated with half tone engravings will give planters valuable hints which they will find indispensable. Free upon request.

**INSPECTION.**—Our nurseries have been inspected by an authorized agent of the Department of Agriculture of the State of Pennsylvania, and we hold a Certificate to the effect that "the stock is free from the presence of San Jose Scale, West Indian Peach Scale, Black Knot, Rosette, Yellows, or other injurious insects or diseases that might be transferred on nursery stock from the nursery to the orchard or garden.

As an extra precaution we have erected a fumigating house, in which to treat all kinds of stock for those requesting it, but entirely at the risk of the purchaser.

Thaddeus N. Yates & Co.,  
7356 Germantown Ave.,  
PHILADELPHIA, PA.

## Deciduous Trees

The trees we order have been several times transplanted and grown in nursery rows, far enough part to allow them to make strong, fibrous roots, thus insuring success in handling. We can furnish a number of fine, large specimen Deciduous Trees not mentioned. Write for prices or visit the Nurseries and examine the stock.

## Japanese Maples

The beauty in foliage of these unique dwarf trees cannot be excelled; they put on their beautiful tints in Spring and early Summer and renew them in the Autumn. The following are the varieties we recommend as perfectly hardy.

|   | Size        | Per 10   | Per 100 |
|---|-------------|----------|---------|
| ACER Polymorphum, green leaved, specimens X heavy | 7 to 9 ft.. | \$ 50.00 |         |

These large Japanese Maples have been transplanted so often that they will hold a ball of earth almost as well as a transplanted Evergreen. Their roots are a mass of fibers.

|   |                     |        |
|---|---------------------|--------|
| ACER Polymorphum Atropurpureum, blood leaf                | 2 1/2 to 3 ft..     | 35.00  |
| We have some large specimens. Prices on application.      |                     |        |
| " Polymor. Atropur., narrow leaved variety                | 4 to 5 ft..         | 75.00  |

We think this is one of the coming shrubs, not only for ornamental planting in groups or specimens, but it is invaluable for edging Shrubbery and Evergreen beds and is being used more and more every year for hedges. It possesses some distinct feature the year round, beautiful foliage in the Spring and Summer which turns to a scarlet in the Fall bearing a beautiful red berry which clings to the plant all Winter.

## Evergreens

The Evergreen Trees and Shrubs we offer have been several times transplanted, consequently have made strong, fibrous root-growth; lifting with large balls of earth which insures success in shipping. We can furnish a number of fine, large specimen Evergreen Trees not mentioned. Write for prices, or visit our Nurseries and examine our stock.

We have a fine stock of this extremely hardy Evergreen. It is especially used in the massing of Evergreens as its bright golden tips and graceful, erect habit gives character and brilliancy of color that is required in all Evergreen plantings.

We have one of the finest stocks of Retinosporas in the Country and we invite prospective buyers to visit our nurseries before placing their orders elsewhere. We have spent considerable labor transplanting our stock. We can dig and ship with balls of earth, wrapped in burlap when requested.

## PAEONIES

The demand for the improved varieties of the Pæonia has been enormous these last few years. In brilliancy of color and perfection of bloom they almost equal the rose. It requires great vigilance and care to grow Roses, but the Pæonia when once planted, needs no further care, is perfectly hardy, and each succeeding year adds to its size and beauty. The vigorous habits, strong growth, freedom from diseases and insects, also add greatly to its value. No other flower is better adapted for large showy bouquets, as they are large and gorgeous and the foliage is varied from a light silvery to a deep green color.

A large bed of mixed varieties and colors make a grand show, as a choice selection will form a succession of bloom during three months. Our collection includes the best varieties, all large clumps. \$3.50 per 10, \$25.00 per 100.

## CHOICE FRUITS

We carry a full line of all the best varieties of fruit. Sizes and prices on application. We have some extra size, bearing age, trees that will caliper 1 to 1 1/2 in., and are 6 to 8 ft. These trees are fine well grown, transplanted stock, and where people do not wish to wait long for crops, these trees are the size to plant. They were all transplanted this Spring and therefore will do well.
